A few SH Bell-related questions:

1. Has EPA completed and/or released its "decision document" re next steps for soil removal/remediation?
The Draft Action Memorandum is currently in the management sign-off chain.
2. Does EPA has a start date for the removal actions at properties near SH Bell?
No specific date, anticipating a start in May.
3. When will EPA hold a public meeting to alert the public to the upcoming removal actions in the community?
A new Fact Sheet was sent out to all residents that were sampled (attached), a public meeting has not been schedule at this time.
